16 May 2022

Dear Neighbour

I hope this letter finds you and your family well. As we come into the summer months, I wanted to write to introduce myself and to invite you to some of our up-coming events.

Some of you will know that Julia Harrington retired recently from the Headship of Queen Anne's School and has moved on to pursue her fascinating and important work in the field of educational neuroscience. I joined QAS at Christmas after a number of leadership roles in the UK and, most recently, in Belgium.

Settling into life at school has been a pleasure along with getting to know Caversham and the surrounding area with my family. I look forward to meeting many of you over the months and years to come.

Now that we are thankfully moving back to a way of life where we can once again welcome external visitors on campus, I am delighted to be able to invite you to the following events in the QAS Calendar over the coming weeks:
